

Amable Le Count

Amable Le Count, a brother of Antoine's settled in Plymouth Township near Antoine's on the west side of Medicine Lake. He purchased on Sept. 25, 1860 the S W 1/4 of S W 1/4 and Lot 6 containing 30 acres. There is not much available concerning him tho his grand daughter Elizabeth Begin, mother of Mrs. Ben Leuer and others still living, told the following. They were 1/4 Indian blood as was most of the French who settled in that vicinity as they originally came from Canada or whereabouts. Elizabeth Begin's mother was a daughter of Amable who married a Morin of Corcoran Township. Other children of Amable's were Minnie, Mary, Rosella Morin, Frank, Joe who died and Vitilene. After Amable died and was buried in St. Joseph's Cemetery, his wife who was about 75 yrs. old went back to St. John Canada to live but was killed by two men. She was brought back to Minneapolis and buried at St. Mary's Cemetery.

A sister of Antoine's and Amable's was a deaf mute. Perhaps more can be obtained from the Le Count family at a later date as there is an available source of information.
