Dear St. Anthony of Padua,

I am in the process of trying to find information on my family. The name is La Count and has also been spelled Le Compte. I am particularly interested in any information you may have on Amable Le Compte born in 1834 or Mary (possibly Marie) Le Compte born in 1840. Amable was born in Corcoran township, Minnesota and Mary was born in France. They were mariied in apprxomately 1858.

One of their Sons, Issac, was a member of your church. Perhaps his records might indicate some information about his parents. Perhaps they were members.

Any information you may have such as marriages, births, baptisims or listings of former church memberships were be greatly appreciated.

Sincerely,

Leslie La Court Leslie La Count
